

CAN YOU LEND A HAND?

“Because the Pandemic has significantly decreased our unsolicited donations, we now have to actively solicit your help to continue to fulfill our mission, since 1921, to the disabled veteran community in New Jersey”

There are over 350,000 veterans living in New Jersey, with over 50,000 with a service-connected disability according to the Department of Veteran Affairs. Our members volunteered over 31,000 hours in support of our programs in 2022. Your financial support is critical to continue and expand our programs.

Please help us by making a generous tax-exempt donation to the New Jersey DAV Foundation, Inc.

KEEPING OUR PROMISE TO
AMERICA'S VETERANS

For over 100 years we have been dedicated to a SINGLE purpose: empowering veterans to lead high-quality lives with respect and dignity.

OUR MISSION

We ensure that veterans and their families can access the full range of benefits available to them, fight for the interests of America's injured heroes on Capitol Hill, and educate the public about the great sacrifices and needs of veterans transitioning back to civilian life.

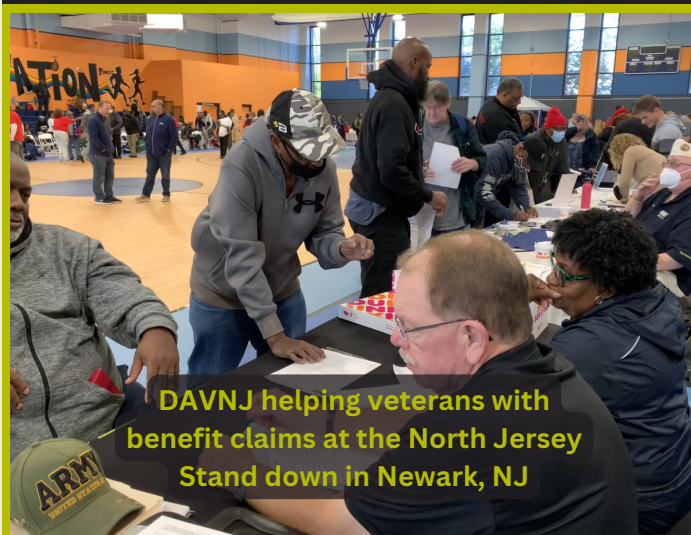

HOW WE DO IT

- Providing free, professional assistance to veterans and their families in obtaining the federal and state benefits and services earned through military service.
- Representing the interests of disabled veterans, their families, their widowed spouses, and their orphans before Congress and NJ Legislature.
- Providing a structure through which disabled veterans can express their compassion for their fellow veterans through a variety of volunteer programs

ABOUT US

Nationally, the Disabled American Veterans is over one million members strong. In New Jersey, there are more than 18,000 life members with service-connected disabilities. All state and chapter members are volunteers and receive no compensation for their work.

The New Jersey DAV Foundation is a 501(c)(3) organization. Its purpose is to raise tax deductible donations to help fund the service work of the Disabled American Veterans of New Jersey, and its 32 in-state chapters.
